The pre-print preparation was supported by the Swiss National Science Foundation

This publication is based on the conference «Critical by Design? Potentials and Limitations of Materialized Critique», held on 17–18 May 2018, at the FHNW Academy of Art and Design in Basel (<https://www.criticalbydesign.ch>). The conference and publication were organized within the SNSF-funded research project «Critical Artifacts – Speculative and Critical Design as a reflective approach towards the design of technology», led by Prof. Dr. Claudia Mareis and Prof. Michael Renner.
